CASPIAN INDUSTRY
Industrial Goods and Equipment

PRODUCT CATALOG

Supply of industrial goods and equipment

A wide range — from metal products to power equipment

Metal and industrial products

Pipes, flanges, fittings, fasteners, metal profiles and other industrial products.

Electrical and electronic products

Electrical equipment, components, cables and automation systems.

Industrial tools and specialized equipment

Measuring instruments, pneumatic and hydraulic tools, CNC machines and other industrial equipment.

Laboratory equipment

Laboratory instruments, measuring and analytical devices, laboratory consumables and reagents.

Mechanical and power equipment

Compressors, pumps, generators, HVAC equipment, seals and other power systems.

A SECTION

Metal and Industrial Products

Pipe supports and connecting elements

- U-clamps, supports, hangers
- Carbon steel / Stainless steel
- Various sizes and designs

Steel bushings and sleeves

- Plain / Flanged / Tapered
- Carbon steel / Stainless steel
- Custom sizes

Expansion joints

- Metal bellows
- Rubber / Fabric
- Flanged / Threaded
- DN25 – DN600

Bolts, nuts and studs

- M6 – M48
- DIN 931 / 933 / 934
- Carbon steel / Stainless steel
- Strength class 8.8 / A2 / A4

Stainless steel sheets

- Thickness 0.5 – 100 mm
- 304 / 316L / 321 / 310S
- Cold-rolled / Hot-rolled

Bars and rods

- Round / Square / Hexagonal
- Ø6 – 300 mm
- Carbon steel / Stainless steel
- / Alloy steel

Profiles and channels

- I / U / H / L profiles
- 20×20 – 200×200 mm
- S235 / S355

Metal hoppers and loading bins

- Volume 0.5 – 50 m³
- Carbon steel / Stainless steel
- For bulk materials, powders and granules

Cable trays and mounting elements

- Width 50 – 600 mm
- Galvanized steel / Stainless steel
- For cable routing and installation

Transmission elements

Gears, sprockets, pulleys, couplings
Modules 1–20 · Steel / Carbide

Eye bolts

M6 – M36
DIN 580

Turnbuckles

M5 – M36
DIN 1480

Metal and Industrial Products

Shackles and carabiners
0.5 – 55 t • Ø6–Ø50 mm
Steel / Stainless steel

Cable glands
M12 – M63
IP68

Vibration mounts and dampers
Load 10–2000 kg
Rubber / Steel

Pressure gauges
Ø63 / Ø100 mm
0–1000 bar

Level indicators
Measuring range 100–3000 mm
PN16

Temperature sensors
-50 ... +400 °C
Pt100 / K-type

Steam traps and filters
DN15 – DN50
PN10 – PN40

Sight glasses
DN15 – DN200
PN16

Metal gratings (decking)
Height 20–60 mm
Hot-dip galvanized

Industrial platforms and stairs
Made to order
Hot-dip galvanized

Wire mesh and metal screens
Roll width 0.5–5 m
Mesh size 0.2–12 mm

Industrial chimneys and ventilation
Ø150–Ø1000 mm
304 / 316

Metal and Industrial Products

Metal fabrication and machining

Steel / Stainless / Carbide
Made to customer drawings

Industrial tanks and pressure vessels

1–100,000 L
304 / 316L / Carbon steel

Industrial tools and consumables

HSS / Carbide
Ø1–Ø100 mm

Finned tubes

Ø16–Ø60 mm · Fins: aluminum / steel
Heat exchange · Industrial

Chains and rigging

Chain Ø4–Ø20 mm
Galvanized / A4

Pulleys and belts

SPZ / SPA / SPB / SPC
HTD / T5 / T10

Pipes

Ø10–Ø1220 mm · Seamless / Welded

Industrial valves

DN15–DN300 · PN16–PN100

Springs

Ø0.2 – Ø50 mm
Stainless / carbon steel

Shaft couplings

Ø10 – Ø500 mm
Steel / Elastomer

Conveyor rollers

Ø50 – Ø159 mm
Steel / Stainless steel
With bearings

Filter elements

Ø10 – Ø500 mm
304 / 316L · Mesh 5 – 500 µm

B
SECTION

Electrical and Electronic Products

Cables and cable management systems
Cables, trays, glands, connectors

Electrical distribution equipment
Cabinets, breakers, contactors

Control and automation equipment
PLCs, HMI, relays, frequency converters

Measuring, control and sensor equipment
Sensors, measuring instruments, encoders

Industrial lighting
LED, ATEX, luminaires, emergency lighting

Electrical installation materials
Terminal boxes, connectors, glands, cable accessories

Contactors and motor protection devices
AC / DC, 1–1600 A

Soft starters, frequency converters and UPS
7.5–250 kW • 1–200 kVA

Operator panels (HMI)
4.3″ – 15″ • TFT • Ethernet

Limit and travel switches
IP67 • 1NO+1NC

Push buttons and selector switches
22 mm • 1–3 positions

Interposing relays and sockets
24 V DC • 8 contacts

B SECTION

Electrical and Electronic Products

Proximity and photoelectric sensors
M8 – M30 • PNP / NPN • IP67

Analog and digital panel measuring instruments
0–500 V • 0–100 A

Current transformers
5/100 A • Toroidal type / Panel type

DIN rail power supplies
24 V DC / 5 A – 40 A
100–240 V AC input

Variable frequency drives (VFD)
0.75 – 630 kW
220 / 380 / 480 V

Servo systems
50 W – 7.5 kW
High precision, encoders

Stepper motors and drivers
0.4 – 8.5 N·m
24 – 80 V DC

DC motors and gearboxes
6 – 300 W
12 / 24 / 48 V DC

Cable chains (cable carriers)
Inner width: 10 – 50 mm
Plastic / Metal

Industrial connectors
M8 / M12 / M23
3 – 12 pins • IP67

Cooling and ventilation systems
24 / 220 V AC/DC
Fans: 80 – 172 mm

Signal towers
LED • 24 / 220 V
Audible / Visual

B
SECTION

Electrical and Electronic Products

Industrial networking equipment

Ethernet switches • 5–16 ports
IP30 / IP67 • 10/100/1000 Mbps

LED floodlights

10 – 500 W
IP65 / IP66 • 6500K

Cable ducts

25×25 – 100×100 mm
PVC • Halogen-free

Cable lugs

0.25 – 240 mm²
Insulated / Non-insulated

Signal lamps

LED / Xenon
24 V / 220 V
Steady / Flashing / Rotating

Cable reels

10 – 50 m
220 V • 3×1.5 / 3×2.5 mm²

Industrial plugs and sockets

16 A / 22 A / 63 A
230 V / 400 V • IP44 / IP67

Cable ties

2.5 × 100 mm – 9 × 450 mm
Nylon • UV resistant

Protective corrugated cable conduits

Ø16 – Ø50 mm
Plastic / Metal hose • IP65

Control stations

1 – 6 buttons
IP65 • Plastic / Metal

Solid-state relays

(SSR) • 10 – 100 A
24 – 380 V AC

Pressure, level and flow transmitters

4–20 mA • HART
-1 ... 400 bar

Control transformers

25 – 1000 VA
230 / 400 V → 24 / 48 / 110 V

Modular switches and sockets

1 / 2 / 3 gang
10–16 A • 250 V

LED luminaires

6 – 60 W
3000K / 4000K / 6500K
Indoor / Outdoor

Insulation materials

PVC tape • Heat-shrink tubing
Terminal insulation • Cable ties
0.5 – 50 mm

Ventilation fans and accessories

Ø100 – 300 mm
Axial / Centrifugal type
220 V • 50 Hz

DIN rails and mounting accessories

TS35 • Perforated / Non-perforated
Steel / Aluminum
Connectors and fasteners

Timer relays and control modules

24 – 230 V AC/DC
Delay: 0.1 s – 100 h
DIN rail mount

Solar power systems and inverters

300 W – 5 kW
12 / 24 / 48 V
MPPT controller • Lithium battery

Busbar systems

100 – 6300 A

Industrial batteries and charging systems

12 V / 24 V / 48 V

Diesel • Mobile • Heavy-duty

Diesel generator sets
20 – 1250 kVA
Reliable power supply • Silent version • Industrial use

Mobile lighting towers
4 – 9 meters
LED • Diesel • Construction • Field work

High-pressure compressors
25 – 420 bar
Oil-free air • Industrial use

Air dryers and filtration systems
3 – 300 m³/min
Dryer • Filter • Oil separator

Booster compressors
10 – 400 bar
Gas • Nitrogen • Industrial applications

Nitrogen generators
5 – 500 m³/h
PSA technology • Industry • Food industry

Compressed air receivers
500 – 100,000 liters
Vertical • Horizontal • Industrial version

Integrated power systems
250 – 2000 kVA
Compressor • Generator • Dryer

Industrial vacuum compressors
10 – 35 m³/min
Mining • Construction • Mobile

Custom compressor solutions
40 – 600 bar
Industry • Laboratories • Processes

Piston and screw compressors

Reliability • Efficiency • Energy saving

Piston air compressors
1.5 – 75 kW
200 – 500 L/min
8 – 12 bar

Rotary screw compressors
5.5 – 22 kW
0.4 – 3.1 m³/min
7 – 13 bar

Air compressors
3 – 11 kW
270 – 500 L/min
8 – 12 bar

Diesel screw compressors
2.5 – 5.0 m³/min
7 – 14 bar
Towable version

Compact screw compressors (receiver)
4 – 15 kW
200 – 500 L/min
7 – 10 bar

Portable piston compressors
2.2 – 5.5 kW
100 – 150 L/min
8 – 10 bar
